

Big News! A new Scientific Article has been published!

On the 29th of January *The Journal Sustainability* published our new scientific article

“A Multidimensional Approach to Understanding Food Deserts in Vulnerable Contexts” is a scientific publication of the In-Habit project, and was published on MDPI on 29 January 2024 by the Department of Agricultural Economics of the University of Cordoba.

Written by Catalina Cruz-Piedrahita, Francisco-Javier Martinez-Carranza and Maria Mar Delgado-Serrano the study examined the phenomenon of “food deserts” in Las Palmeras, a vulnerable neighborhood in Córdoba, Spain, a medium-sized city known for its agricultural traditions and Mediterranean diet. If interested, you can read it and download it [here](#).
