

**Big News! A new Scientific Article has been published!**

# Published on Animals (MDPI) our new scientific article by the University of Pisa

“Animals and Cities: A Reflection on Their Potential in Innovating Nature-Based Solutions” is a scientific publication of the In-Habit project, and was published on Animals on the 21st of February 2024 by the Department of Veterinary Science, University of Pisa.

Written by Giulia Granai, Carmen Borrelli, Chiara Mariti e Francesco Di Iacovo the study aims to provide an overview of the current situation of animals in cities and to explore the roles of animals and their interactions with humans in such a context.
