

# GoGreenRoutes & Sister Projects Final Event: Advancing Nature-Based Solutions

**GoGreenRoutes & Sister  
Projects Final Event & New  
Planetary Health Cluster  
Launch!**

**Tue 2nd of July - Wednesday 3rd  
of July in BluePoint Brussels.**

# Join us On July 2-3, 2024 in Brussels

BluePoint Brussels will host an extraordinary gathering of experts, innovators, and leaders in nature-based solutions (NBS) at the GoGreenRoutes & Sister Projects Final Event. This significant event, organized by GoGreenRoutes, IN-HABIT, euPOLIS, and VARCITIES, stands as one of the most substantial knowledge-sharing platforms for NBS and health projects in 2024.

With a comprehensive agenda, participants will explore pioneering methods that are reshaping urban environments and improving the quality of life across European cities. In addition to celebrating past achievements, the event will mark the launch of the new Planetary Health Cluster. This cluster will encompass emerging initiatives such as GoGreenNext, SPRINGS, PLANET4Health, TULIP, and MOSAIC, representing a groundbreaking advancement in the research and application of nature-based solutions to address global environmental and health challenges.

**Join us and be inspired** for an unparalleled opportunity to network with professionals and leaders dedicated to sustainable urban design and public health enhancement.
