These advancements will help us continue **fostering inclusive health and well-being in our cities, drive community engagement, support groups at risk of exclusion, and empower local human capital.** We look forward to sharing these achievements and their impact on our communities.

As we approach the end of 2024,

we want to extend our heartfelt thanks to **all our project partners, communities, stakeholders, and organizations for their support and collaboration** throughout this journey. Your commitment has been crucial to the success of IN-HABIT. Wishing you a joyous holiday season and a wonderful New Year!

Here's to 2025 – filled with innovative solutions and transformative change for our cities and communities.

Did you miss our recent events?

In November, some of us traveled all the way to Bogotá and Medellín to explore **replicable strategies for inclusive urban development**, with key discussions on nature-based solutions, youth participation, and community-led approaches. Read the [press release](#) and the [news](#) on our website.

The documentary **Mr. Beau**, directed by Claudia Tosi, and **featuring research work from the University of Pisa's Department of Veterinary Sciences**, premiered on December 5th in Lucca. [Learn more.](#)

#PalmerasEnPositivo Project led by the University of Córdoba, shines a light on the kindness, strength, and determination of the Las Palmeras community. [Learn more.](#)

Upcoming international events

NetworkNature Science-Policy Event

15 Feb 25 TDC, Brussels

ICLEI Europe and IEEP are organising an in person science-policy event on urban transformation with a special focus on water resilience. The event will draw on the work of key Horizon projects to see how cities can mobilise EU funding for deploying NbS (notably via Cohesion Policy) and utilise Urban
